# THON BUNLENG

## SOFTWARE ENGINEERING

## SUMMARY

I am Thon Bunleng, a 20-year-old software engineering student in my third year at BELTEL international University. I graduated from King Norodom Sihamoni General and Technical High School in 2023. To support my academic and professional growth, I am currently studying English at PUC GESL (Level 10) and Chinese at World Youth Tourism and Hospitality School(世界青年文化旅游职业学校) HSK Level 4.

## EXPERIENCE

Mobile app one year experience

## PROJECT / ACTIVITIES Personal Website Project

- Designed and developed a personal portfolio website using HTML, CSS, basic JavaScript, Reactjs, Laravel.
- Practiced page layout, styling, and responsive design.

## Group Presentation " Restaurant Management System "

- Developed a simple car management system using C# and Windows Forms.
- Included features such as adding, editing, deleting, and searching car records.
- Applied basic database connection using SQL Server.
- Improved programming logic, problem-solving, and UI design skills.

## Volunteer

- Participated in organizing the job fair event and assisted with event rehearsals.
- Helped coordinate the opening ceremony of the stadium and various sports competitions.
- Gained experience in event planning, teamwork, time management, and communication.
